

### ***Comments from past users of the service***

*“The service provided was great – the feeling of being able to talk to someone about going back to education without being judged”*

*“The service helps you find direction and answer any questions you need to know”*

*“I found all members of staff very professional and kind and overall I was very impressed. To date I have started back in Adult Education and looking forward to the future”*

*“I knew that I needed to speak to someone about getting more education but I was unsure who – until I heard about the service. I found talking to Jason helped me to make the right decision and I am now doing a Medical Secretary course”*

*“The print out of what was discussed in the meeting was so helpful and the plan to follow up myself”*

*“I was provided with all the Information and help that I needed”*

*“Jason makes you feel very comfortable”*

*“Both AEGIS staff*
