Welcome to QualifaX

QualifaX is Ireland's National Learners' Database. We provide the most comprehensive information on further and higher education and training programmes. QualifaX ensures that you have all the information you need to make informed choices about your education, training and career paths. This includes details of how qualifications are recognised through the National Framework of Qualifications (NFQ).

Featured Content

National Skills Bulletin 2010

National Skills Bulletin 2010: The National Skills Bulletin is a compulsory read not just for those involved in policy making, but also for education and training providers, those deciding on education and training choices and their career advisors to provide insights into where career opportunities exist in these difficult times.

DARE and HEAR Admissions Schemes

Promoting Equity of Access to Higher Education. To widen access to 3rd level, participating colleges have developed a range of initiatives, including two new supplementary admission routes called HEAR and DARE.

Labour Market Activation

The Minister for Education and Skills, Mary Coughlan TD, announced, on 1 June 2010, that some 6,500 training places will be made available to the unemployed under the Labour Market Activation Fund, 2010.
