The successful implementation of this policy requires the full support and active co-operation of all staff, contractors and students of School/Institute/Centre.

It is recognised that hazard identification, risk assessment and control measures are legislative requirements which must be carried out by the employer to ensure the safety, health and welfare of all staff.

The Cavan and Monaghan Education and Training Board, as employer, undertakes in so far as is reasonably practicable to:

- (b) provide information, training, instruction and supervision where necessary, to enable staff to perform their work safely and effectively;
- (c) maintain a constant and continuing interest in safety and health matters pertinent to the activities of the school;
- (d) continually improve the system in place for the management of occupational safety and health and review it periodically to ensure it remains relevant, appropriate and effective;
- (e) consult with staff on matters related to safety, health and welfare at work;
- (f) provide the necessary resources to ensure the safety, health and welfare of all those to whom it owes a duty of care, including staff, students/learners, contractors and visitors.
